OVERVIEW

VIDEOTEKNIKA VB-5600PVR is a stylish and high impact vandal resistant varifocal IR WDR professional bullet camera designed for indoor / outdoor applications. It incorporates the latest 5th Generation DS CCD sensor enabling sharp images in highly challenging situations and has a 1000TVL superior resolution with a 2.8 ~ 10.5mm Varifocal Auto-Iris lens. The multitasking WDR day & night camera provides unlevelled cost effective performance making the product a market leader in its segment. It has 40 Smart IR LED's with a range of up to 30m in total darkness.

It could be mounted on wall or ceiling and also features Motion Detection, 16 zones Privacy Masking & up to 16x Digital Zoom and comes with IP67 weatherproof & IK10 vandal resistance housing.
